Draft Resolution submitted by District 119 Hungary to the European Council at the Europa Forum Dublin 2025

Subject:

To designate the Forum President and the Program Director of the Europa Forum 2028 organized by District 119 Hungary in October 2028, to propose the Theme of the Forum.

Explanation

The European Council meeting III of the Europa Forum in Klagenfurt 2023 voted that District 119 Hungary organizes a Europa Forum in Budapest, in October 2028, 30 years after a very successful Europa Forum held in Budapest in 1998, the first ever Europa Forum organized in Central and Eastern Europe.

For different organizational, logistical and financial reasons, District 119 Hungary decided to change the venue of the Europa Forum 2028 from Budapest to Győr, a city with 3 very strong Lions Clubs, the Municipality and the local University supporting the event. Hopefully, the venue change will have been voted in the meantime.

The National Convention of District 119 Hungary designated

PDG János HUNYADI

President of the Europa Forum and Head of the Host Committee Europa Forum 2028 Győr

PDG Ilona Dr. SOLYMOSINÉ Dr. KISS

Program Director of the Host Committee Europa Forum 2028 Győr

The proposed Theme of the Europa Forum 2028:

LIKE RIVERS IN GYŐR, LIONS CONNECT CULTURES AND PEOPLE
