Invite for Working Group

Dear European International Directors and Endorsed International Directors,

During the Europa Forum in Bordeaux, the European Council approved Resolution No. 15 to establish a European working group for peace under the supervision of the LRPCE.

As outlined in the resolution, the working group will be led by a leader from MD 108 Italy and will include representatives from European MDs.

We have thought of involving the first-year IDs and the incoming IDs in this working group to ensure European coverage and continuity for the group.

Furthermore, since the group operates under the supervision of the LRPCE, they are already part of it, which will simplify everything.

During the MD 108 Italy Council of Governors meeting on December, the following proposal was approved:

Coordinator:

Ghaleb Ghanem DG 108Ta2

Members:

First-year Directors:

Guy-Bernard Bami

Dr. Karl Brewi

Lorena Hus

Incoming Directors with endorsement:

Niels Schnecker

Hroar Thorsen

Drazen Melcic

This proposal has been presented during the LRPCE on February 12, 2025 and approved by March 14.

However, representatives of the MDs and SDs (eventually the Undistricted clubs) could also be part of the Working Group in the future.

The EF Peace Working Group, in addition to the "Peace Ambassador" award, should continue to:

- study and promote common and shared initiatives aimed at spreading the culture of peace.
- coordinate and facilitate initiatives proposed by various EF MDs and Lions districts for peace and understanding between peoples
- carries out his activity under the supervision of the LRPCE and presents a report periodically on his work to LRPCE and to the Europa forum.

A draft proposal for the regulation of the "Peace Ambassador" award has been prepared which will be reviewed and implemented by the working group in the first meeting.

The first step is to transform the attached draft proposal of the regulation of the "Peace Ambassador award" into a final proposal that can be approved by LRPCE.

In this proposed meeting we will be able to get to know each other and give ourselves time to evaluate the draft regulation to be discussed in a subsequent meeting.

Please can we meet on June 29th at 09:30 to get to know each other and make our comments on the regulation?

A resolution will need to be presented at the next EF in Dublin if it will be possible.

Thank you

Ghaleb Ghanem
