Lions International MD101 Sweden

APPLICATION TO HOST EF 2029 IN MALMÖ, SWEDEN

Europa Forum President
PID Teresa Dineen

TOPIC

Since 1948, MD101 Sweden has been the first Lions country in Europe. This is a year that Lions in Sweden proudly and honorably manage.

The last time a forum was held in Sweden was 1988 in Gothenburg. The Council of Governors sees the importance of arranging a European Forum in Sweden, and as the first country we have the responsibility and obligation to do so.

Based on the decision of the qualified majority of delegates at the multiple district 101 convention held on 30-31 May 2025 in Gävle, the Association of Lions International – MD101 hereby officially proposes to the Europa Forum Council its candidacy to host the Lions Europa Forum 2029 in Malmö, Sweden.

The Council of Governors of MD101 Sweden appoints PDG Sten-Yngve Södergren as President of the Lions Europa Forum Organizing Committee in Sweden, and authorizes him at the next Europa Forum, in Dublin 2025, to submit to the European Forum Adoption the following Resolution:
